

# Calvary Kids AWANA Scholarship Application

We understand the financial pressures of families today, and desire that all have an opportunity to grow from their experience at AWANA. Because our scholarship funds are limited, we ask that your request for a scholarship be a NEED. We appreciate your cooperation. We do not give full scholarships and ask that all applicants pay the deposit and request only the amount that is a real need. *You will be notified of the amount awarded before the end of the registration period.*
